Our mission is to meet customer's prospect all the time by providing tanning and hides industry through quality, honesty and hard work. We are very prompt in efficient excellent customer service; loyalty and satisfaction are at the priority.

Core Values

Our fundamental principles guide our staff in the approach of our daily work. Our staff seeks to uphold these core values in all our work.

About Us

Hainor Hides and Skins Company were established in Mogadishu in 2002. It's the only large-scale livestock skin providers firms in Somalia. It exports raw material on supplies of cow hides, camel hides, and goat and sheep skins. Hairnor is the only company exports hides and skins in Somalia. Hainor started its work exporting of raw materials, after year of proven operations and made changes in the development of animal skins, and moved to wet blue. Hainor exports many of containers of goats, five containers of cow and five containers of camels per month. These skins are exported to Italy, Turkey, China, Pakistan, India and parts of the Middle East.

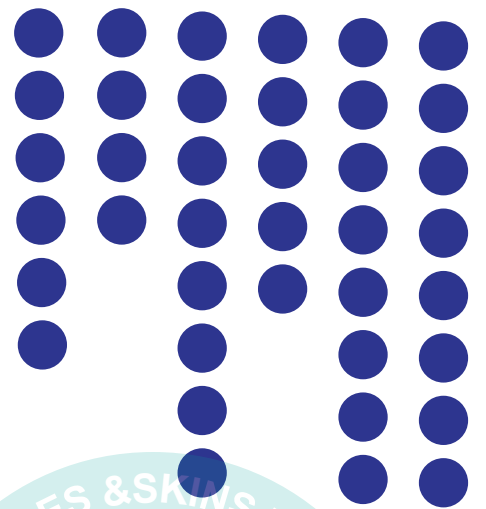

The company aims to become a leading export hides and skins development company in a national player who safely, profitably and sustainably delivers best-in-class integrated services, solutions to meet our customers' needs". We are dedicated to making sure you are satisfied no matter how large or small your specifications are. We also focus on what clients really needs and hence pay special attention to the demand communities.

Hainor's main office in Mogadishu but the companies have branches in south central, Jubbaland, and Hargeisa. Hainor

Hides and Skins Company are running by Mr. Nor Dahir Hilif, he is the founder of the company. Mr. Hilif is the chairman of the entire organization. Currently the company employs seven employees.
